

Ladies Studying Jesus

Homework – Vol. 3 #19

Servant leadership is a “buzzword” in the corporate world today. Even Walmart uses this term in their managerial training. Of all the disciples, Andrew was a servant leader. He was probably the most spiritually minded when he first met Christ. Andrew had been a disciple of John the Baptist. John was very open about his position as the forerunner of Christ, and he taught his disciples about the coming Messiah. Andrew learned servant leadership from John and Jesus taught it to all His disciples. Later, Paul will also teach this mindset to the early believers. Write an essay on servant leadership. Define it. Give characteristics. Tell how this attitude in action can help build the kingdom of Christ. Finish your essay with how you can be a better servant leader.
