Ladies Studying Jesus

Homework Vol. 4 #7

1. In our recent lessons from Christ's life, we find two reactions to Jesus' offer to come, take, and learn of Him. But how about us? If we honestly look at our hearts, do we honor Christ our Redeemer with our lives and actions? Are we sincerely grateful for God's saving mercy and love shown to us? With our sins forgiven, do we enjoy the peace given by God?

But, if you have not chosen the easy yoke of Jesus and sought His forgiveness for your sin, do it today. Seek someone who can show you Jesus' words of mercy from the Bible.

If you are a believer, **consciously thank Him every day this week for forgiving your sin and giving you peace.**

Write down three Bible verses concerning Christ's work of salvation that thrill your soul!

2. Read Luke 8:1-3 – Second Tour of Galilee

Who was with Jesus?
