## **Homework – Vol. 6 #15**

1. The great debate was the fact that Jesus not only healed a blind man, but that He actually created eyes for a man who never had functioning eyes! Find three Bible verses that confirm that Jesus is indeed the Creator!
2. All of John 9 gives us the story of the healing of the man born blind and the fallout with the Pharisees afterwards. It is not until verse 11 that we hear from the healed man himself. Carefully go through his words and follow his journey of faith in Jesus.
3. Take time to remember the gentle leading of God in your journey of faith. Has Jesus been bringing you to faith? Have you put your faith in Him as your Savior, or are you still on your journey? Write down an event in your life which built your faith in Jesus the Savior!
